DECEMBER MEETING:

WEDNESDAY, December 6, 2006, 7:00 PM Christmas Dinner Meeting.

Location: Golden Corral Steak House

4032 Taylorsville Rd., Louisville, KY

All Members are encouraged to come!

(Club will pay for dinner for member and one guest)

Notes from the "Pres".

I can't believe that another year is about to come to an end. We have certainly had a busy flying year and some pretty good weather it seems. The "Wings for Kids" was a big success again this year. Thanks once more to all that helped in that endeavor. We are already in the planning stages for next year's event. Communication amongst the surrounding area clubs is much improved and I'm hoping to get them more involved as both volunteer help as well as paid spectators.

The second annual Cub Rally was a success this past summer, despite some scheduling issues, and we are planning on repeating that event in 2007.

Just recently we had our Warbird Fly-In and I would have to say that it was a huge success again this year.

I wanted to take a moment and thank all of those who participated in our training/beginner's night this past summer. We had many new pilots this year and there were some Monday nights that were pretty hectic, but we had some great volunteers to help.

NOMINATIONS and ELECTIONS

All went well at the November meeting and the elections were concluded as planned. The votes were tabulated and Bill Fluke announced the results. Bill Fluke was re-elected President, Tim Hardin was elected Secretary, Doug Bailey was re-elected to the Board, and Tom Hohman and Chris LaSelva were both elected to the Board.

BY-LAWS and AMENDMENTS

There were no By-Laws or Amendments this year.

NOTAM'S

Web Site: Our new web site should be up and running soon. Tim Hardin will be heading it up for us. Thanks for your patience as we bring this project up to speed.

Calendar: If you know of any upcoming events such as fly-ins or swap meets etc., that would be of interest to other club members, please contact Bill Fluke and it will be posted on the **Calendar** on the web site. I will also try and include them in the newsletter.

WARBIRD FLY-IN:

Well, Sunday October 29, proved to be another successful day under the sun at Steve Henry Field. The Warbird Fly-In was again a great success. We were fortunate to have a picture perfect weather day for flying. We had 28 registered pilots and about 40 aircraft at the field that day. Flying began at 10:00 A.M. and continued until about 4:00 PM. We had many nice prizes and trophies to give to the participants. The event raised a little over \$355.00 between registration and food sales. A big thanks goes to Chris LaSelva who did a great job organizing this event and as Airboss to keep everyone happy flying.

The swap meet ran continuously all day and I know that there were quite a few "exchanges" among participants. We were pleasantly surprised at the number of spectators that were there during the day. Occasionally I would glance over at the bleachers, just to find them busy with airplane gazers!

We had many pilots come from surrounding clubs to this event. I have received nothing but positive comments about our members and our flying field, as well as how relaxed and fun the event was. Everyone has told me that they would like to come back next year. Our hospitality has ensured us a great get together in 2007.

Special THANKS to Scale Reproductions, Century Jet Models, and Speeder's for their donations of gift certificates and merchandise for our prizes.
